

Product Bulletin

GULFCUT® 170C TRI-PURPOSE SCREW MACHINE OIL

Gulfcut® 170C is a tri-purpose, light-colored cutting oil. It can also be used as a machine tool lubricant and hydraulic fluid.

FEATURES AND BENEFITS:

The non-staining feature of **Gulfcut® 170C** makes it ideal for use in the machining of copper, but it can be used for most steel alloys where machinability ratings range from light to moderately severe. **Gulfcut® 170C** is an ideal choice in automatic machine tools where leakage from one system to another may cause problems.

Typical Properties

Product Code	Test Method	335310
Viscosity SUS @ 100°F	ASTM D-2161	170
API Gravity @60°F	ASTM D-287	22.7
Flash Point, COC, °F	ASTM D-92	350
Chlorine, wt%		1.3
Fat, %		1.0
