

MILES ALL SPEC 15W40 CK-4

Description

MILES ALL SPEC 15W40 CK-4 premium quality, heavy duty engine oils formulated with high quality base oils and premier additive chemistry that provides exceptional engine protection, outstanding wear protection, enhanced oxidation resistance as well as offering optimal engine performance. **MILES ALL SPEC 15W40 CK-4** designed for use in newer low emission diesel engines as well as older diesel engines in a wide range of heavy duty applications in both on and off road applications. **MILES ALL SPEC 15W40 CK-4** meet the requirements of API Service CK-4.

Performance Features

Excellent Wear Protection
Excellent Protection of Emission Systems
Enhanced Oxidation Resistance
Outstanding Shear Stability
Exceptional Soot Control
Outstanding Thermal Stability
Excellent Low Temperature Pumpability
Optimal Engine Performance
Excellent Viscosity Control
Outstanding TBN Retention

Specifications

- API Service CK-4/SN (15W-40)
- API Service CK-4 (10W-30)
- API Service CJ-4
- Caterpillar ECF-3
- Cummins CES 20086
- Detroit Diesel DFS 93K222
- Mack EOS-4.5
- Volvo VDS-4.5
- Ford WSS-M2C171-F1
- ACEA E7-16 / ACEA E9-16

Outstanding Quality Products
Competitive Prices
Superior Service

PROPERTIES

	15W-40
Viscosity cSt @ 40°C	115.0
Viscosity cSt @ 100°C	15.3
Viscosity Index	139
Flash Point, °F	458
Pour Point, °C	-32
Specific Gravity	.8698
TBN	10.0
Sulfated Ash, ASTM D 874, %m	1.0
Color, ASTM D 1500	4.0
CCS Viscosity, ASTM D 5293, cP	5600 (-20°C)
